

Florent Gomez-Bonnet

Senior Consultant

Florent is an experienced evaluator, data analyst and change management consultant.

He recently joined the ARTD team, bringing with him the high-level skills and experience from his work as a Senior Consultant in the Paris office of Ernst&Young. His main areas of expertise are public policy evaluation, change management and IT systems planning. He is skilled in qualitative and quantitative data collection, statistical analysis and process mapping.

Florent has developed analytical methods for cost-effectiveness analysis and applied them in number of projects.

Florent has also run several training sessions on evaluation and indicators as part of his project work.

Bachelor of Economics (Social Sciences), Lycée du Parc, Lyon (2003)
Master of Science (Business administration), ESSEC Business School, Paris (2007)
Master of Science (Public management), Universität Mannheim (2007)

Member, Australasian Evaluation Society

Evaluation

Since joining ARTD, Florent has had a key role—particularly in analysing cost-effectiveness—in several large evaluation projects.

- *Review of the current and future service delivery of the Respite Support for Carers Of Young People with severe or profound disability* (FaHCSIA, ongoing)
- *Evaluation of NSW Energy Efficiency Strategy programs* (Office of Environment & Heritage, ongoing)

At Ernst&Young, Florent contributed to major evaluations for various departments of the European Commission and managed several evaluations for French Regions.

- Evaluations of central programs for the European Commission
 - *Interim evaluation of Directorate General for Maritime Affairs and Fisheries (DG MARE) external communication activities* (DG MARE, 2010)
 - *Interim evaluation of European Union pre-accession assistance to Turkey* (DG ELARG, 2009)
 - *Evaluation of the European Medicines Agency* (DG ENTR, 2009)
- Evaluations of European Union regional policy's decentralised program European Regional Development Fund (Alsace, Guyane, DATAR, 2010)
- Identification of Key Efficiency Indicators for the Organisation for Economic Co-operation and Development's (OECD) first efficiency report (OECD, 2010)

Change management and governance

At ARTD, Florent has managed a project with community organisations, supporting a tender process in the housing sector.

- *Develop and conduct the tender process for the appointment of a support services coordinator in the context of the Camperdown Housing Project* (MA Housing, ongoing)

With Ernst&Young, Florent assisted with the implementation of major central and local public sector reforms in France.

- *Reform of the application process to public housing programs* (French Department of Environment, Transport and Housing, 2011)
- *Merger of two Government services in French local administrations* (French Department of Environment, Transport and Housing, 2008)
- *Impact of the French Public Policies General Review on the human resources of the Department of Agriculture* (French Department of Agriculture, 2008)

IT systems planning

At Ernst&Young, Florent was involved with the drafting of IT strategic plans for national and local administrations:

- *Moroccan Department of Agriculture* (2010)
- *French National Assembly* (2009)
- *City of Paris* (2008).
