

Klas Johansson
Principal Consultant

Klas has been at ARTD since 1994, and is an experienced researcher, data analyst and evaluator, with expertise in a range of statistical techniques and software tools. Klas is also at the forefront of designing research-oriented monitoring systems.

Klas has designed and managed research in a large number of projects, for such clients as the NSW Department of Juvenile Justice, the NSW Department of Education and Training, NSW Health, NSW Treasury and the Commonwealth Department of Families, Housing, Community Services and Indigenous Affairs.

Klas has run several professional development workshops on data analysis and program monitoring for the Australasian Evaluation Society, in Sydney, Adelaide and Perth.

Major Projects and Clients

Evaluation

- Klas has managed a series of school-based evaluations for the Department of Education and Training, including:
 - Evaluations of the Cannabis Education Pilot Program for the DET Drug Education Unit, using an experimental study design, including pre and post-intervention student surveys, and qualitative research from teachers and students, (2001, 2003 and 2004).
 - Evaluation of the TNF school alcohol and drug counseling service (1999, 2001 and 2005).
 - Evaluation of the 'Smoking - Don't be a sucker' program (2007).
- Evaluation of Supporting Children with Additional Needs, NSW Department of Community Services (2005).
- Evaluation of the Sober Driver Program, an educational and therapeutic intervention to reduce drink driving recidivism, NSW Department of Corrective Services (2006). Klas managed the data analysis for this major state-wide evaluation which included an experimental study design, and data from the Roads and Traffic Authority, NSW Department of Corrective Services and the Bureau of Crime Statistics and Research.

Monitoring / Performance Management

Klas has designed and reviewed a number of grants program monitoring systems for NSW Government agencies, including:

- Design and piloting of monitoring systems for the:
 - Housing and Accommodation Support Initiative (HASI)
 - Community Participation and Transition to Work programs
 - Families and Carers Mental Health Program
- Design and technical specifications for community grants programs run by the NSW Department of Juvenile Justice
- Analysis systems and review of online monitoring for a range of community grant programs run by the Department of Education and Training.

Stakeholder Research

Klas has also managed workplace climate and other stakeholder surveys for a range of local, NSW and commonwealth government agencies, including:

- NSW Premier's Department
- NSW Treasury
- NSW Ombudsman's Office
- Leichhardt and Albury Councils
- Independent Pricing and Regulatory Tribunal
- Commonwealth Department of Parliamentary Services.
