KEN FULLERTON CONSULTANT

Ken is an experienced qualitative researcher and analyst with a background in sustainable development consulting. He has international development professional and volunteer experience and has previously worked for a range of clients and funders including foundations, government agencies, private corporations, non-government organisations and universities. He has also presented research papers at industry conferences in Ghana, Senegal, South Africa and the United Kingdom. In May 2017, he was selected to represent South Africa as one of 100 Young Global Changers at the inaugural Think20 Global Solutions Summit held in Berlin, Germany.

I am passionate about working with stakeholders to design, implement and evaluate programs and policies that lead to positive social and economic outcomes for communities.

ENVIRONMENT AND ENERGY PROGRAM EVALUATIONS

Ken is passionate about working to better protect the environment, raise awareness, promote the supply and uptake of renewable energy and other innovative sustainable solutions.

- » **Natural Disaster Resilience Program 2013-15 evaluation** (NSW Office of Emergency Management [OEM], 2018-19): Reviewed and analysed key OEM documents and reports, map project locations across NSW, organise and conduct stakeholder interviews and prepare a case study about natural disaster resilience activities and programs in the Blue Mountains region which formed part of the final report.
- » **Evaluation plan for the Victorian Government's Energy Efficiency & Productivity Strategy** (Department of Environment, Land, Water and Planning, 2018-19): Reviewed documents, attended steering committee meetings and stakeholder interviews, helped design the Strategy's program logic diagram and worked on the draft and final evaluation plan reports.
- » **Evaluation and review of round three of the Bin Trim Grants and Rebates Programs** (NSW Environmental Protection Agency, 2018-19): Participated in the inception meeting, supported the development of interview guides, conducted interviews with program grantees and assessors. Later, he helped prepare an interim risk assessment report draft evaluation report.
- » **Independent evaluation of the Waste Less, Recycle More Initiative** (NSW Environment Protection Authority, 2017-18): Conducted a literature review, code interview data in NVivo, preparing score cards for each of the initiative's six programs, and provide overall logistical support.
- » **Water Safety Sector Review: Analysis of Australian Government Water Safety Outcomes** (Commonwealth Department of Health, 2017-18): Mapped water safety activities conducted across Australia against the government's 11 stated goals, identify gaps and priorities and contributed to the final report.

SURVEY DATA COLLECTION AND ANALYSIS

Ken has supported the design, building, testing and distribution of online surveys and exams using Survey Gizmo and Qualtrics used to collect and analyse data.

- » **Evaluation of Future Directions Strategy and Program** (NSW Department of Family and Community Services, 2019).
- » **Review of Family Day Care Australia** (Family Day Care Australia, 2019)
- » **NDIS Quality and Safeguards auditor training rounds 1 and 2** (Department of Social Services, 2018-19).
- » **Rise Staff Surveys** (Rise, 2018 & 2019).
- » **Parliamentary Counsel's Office Stakeholder and Website Stakeholder and Staff Surveys** (Parliamentary Counsel's Office, 2018 & 2019).
