Sally draws on her skills from her economics honours to provide her team and clients with quantitative and qualitative support and develop economic evaluation approaches. She has strong writing and research skills, and is highly attentive to detail. She is passionate about developing a deep understanding of the whole evaluation project through careful, thorough research.

SALLY EVANS SENIOR CONSULTANT

PROJECT COORDINATION AND REPORTING

- >> **Evaluation of the Stepped Care Approach** (Hunter New England and Central Coast Primary Health Network, 2021-24): Managed the evaluation team and coordinated data collection activities before delivering an interim report, in the form of a 'deckliverable' and a final evaluation report.
- >> **Work Safe Health and Safety Month** (Work Safe Victoria, 2023-24): Re-designed and distributed two online surveys to participants of HSM 2023. Analysed and reported on the survey responses in two deckliverable reports. Organised regular client meetings and two findings meetings to discuss themes and initial findings.
- >> **LGBTIQA+ Family Violence Reform Initiatives** (Family Safety Victoria, 2021-22): Coordinated data collection in the form of interviews with key stakeholders across the family violence sector, in addition to designing and analysing a sector survey using R.
- >> **Evaluation of an Aboriginal and Torres Strait Islander research program on COVID-19** (The Australian Partnership for Preparedness Research on Infectious Disease Emergencies, 2021-22): Coordinated data collection (interviews and short surveys at two time points) before supporting thematic analysis and report writing.
- >> **Fair Work Commission National Wage Assessment Structure Trial** (Department of Social Services, 2020-21): Project support and coordination. Coding and transcribing of interviews with Australian Disability Enterprise staff and support in report writing.

ECONOMICS AND VALUE FOR MONEY

- >> **Overarching Bushfires Evaluation** (Resilience NSW, 2023-24): Support on the Cost Benefit Analysis component of the evaluation.
- >> **Outcome and Economic Evaluation of the Mouse Control Program** (Department of Regional NSW, 2022-23): In addition to completing interviews with farmers impacted by the mouse plague, supported the Cost Benefit Analysis of the two rebate programs.
- >> **Safety and Quality Curriculum Monitoring and Evaluation Framework** (Clinical Excellence Commission NSW, 2021): Developed the economic aspect of the monitoring and evaluation framework.

DATA COLLECTION AND ANALYSIS

- >> **Inclusive Education Scholarship Initiative** (Victorian Department of Education, 2023-ongoing): Designed and administered survey, conducted interviews with school and regional stakeholders, carried out thematic analysis and supported in report writing.
- >> **Evaluation of Risk Assessment and Management Panels (RAMPs)** (Family Safety Victoria, 2022): Conducted interviews, analysed 154 survey responses and analysed administrative data.
- >> **Strategic Planning Online Tool** (Victorian Department of Education and Training, 2020-22): Designed and monitored survey, carried out descriptive analysis and supported in report writing.
- >> **Teaching Tool for Kindergartens** (Victorian Department of Education and Training, 2020-22): Conducted and analysed 35 interviews with kindergarten service leaders and teachers. Also involved in monitoring four surveys held at different time points.

I am passionate about the role evaluation has in providing an understanding of the full impact of policies and programs.
