

Sally Evans | Manager

Sally joined ARTD after completing her honours degree in Economics, bringing with her a strong foundation in both quantitative and qualitative analysis. In her role, she offers invaluable support to her team and clients, using her skills in data collection, project management and reporting. Sally is highly attentive to detail, ensuring that every aspect of her work is thoroughly examined and accurately presented. Driven by a passion for comprehensive evaluation, she is dedicated to gaining a deep understanding of each project, approaching each project with care and thoroughness to deliver insightful findings.

I am passionate about helping people through thoughtful evaluation, always curious and eager to collaborate to uncover insights that make a real difference.

Education:

Bachelor of Business (Honours) Economics, University of Technology Sydney (2019)

Bachelor of Economics, University of Technology Sydney (2018)

Family, domestic and sexual violence

Sally has supported on projects in the family and sexual violence sectors across Victoria and more broadly. She engages each stakeholder group with a trauma-informed approach.

- Targeted Early Intervention Program (Department of Families, Fairness and Housing, (2023-ongoing))
- Family Violence Disability Practice Leader Initiative (Family Safety Victoria, 2023-ongoing)
- LGBTIQA+ Family Violence Reform Initiatives (Family Safety Victoria, 2022-24)
- Evaluation of Risk Assessment and Management Panels (Family Safety Victoria, 2022-23)

Data collection, analysis and reporting

Sally has experience coordinating and managing projects across a range of sectors including education, aged care and health. She has undertaken market analysis and has experience with collecting and

analysing data (both qualitative and quantitative). She delivers synthesised insights for reporting.

- Work Safe Health and Safety Month (Work Safe Victoria, 2023-24)
- Inclusive Education Scholarship Initiative (Victorian Department of Education, 2023-ongoing)
- Strategic Planning Online Tool (Victorian Department of Education, 2020-22)

Economic and value for money analysis

Sally draws on her economic background to support and apply economic and value for money approaches to understand the financial impacts and benefits of program delivery.

- Overarching Bushfires Evaluation (Resilience NSW, 2023-24)
- Outcome and Economic Evaluation of the Mouse Control Program (Department of Regional NSW, 2022-23)
