## EDUCATION

Bachelor of Business (Honours) Economics,

University of Technology Sydney, (2019)

Bachelor of Economics, University of

Technology Sydney, (2018)

Member, Australian Evaluation Society

Sally draws on her skills from her economics honours to provide her team and clients with quantitative and qualitative support and develop economic evaluation approaches. She has strong writing and research skills, and is highly attentive to detail. She is passionate about developing a deep understanding of the whole evaluation project through careful, thorough research.

## SALLY EVANS SENIOR CONSULTANT

### DATA COLLECTION AND ANALYSIS

- » **Evaluation of Risk Assessment and Management Panels (RAMPs)** (Family Safety Victoria, 2022): Conducted interviews, analysed 154 survey responses and analysed administrative data.
- » **Strategic Planning Online Tool** (Department of Education and Training, 2020-22): developed and monitored an online survey. Designed and monitored survey, carried out descriptive analysis and supported in report writing.
- » **Teaching Tool for Kindergartens** (Department of Education and Training, 2020-22): Conducted and analysed 35 interviews with kindergarten service leaders and teachers. Also involved in monitoring four surveys held at different time points.
- » **Banyule Gambling Peer Support Programs** (Banyule Community Health, 2021): Designed and monitored online survey for referral services. Supported two focus group sessions and assisted in developing the reports for both the Peer Connection program and the ReSPIN program.
- » **Independent External Review of the WAHTN RETProgram** (Western Australian Health Translation Network, 2021): Involved in the initial market analysis and literature review. Completed a review of policy documents relating to the RETProgram. Coded qualitative survey responses and analysed descriptive data.

### PROJECT COORDINATION AND REPORTING

- » **Evaluation of the Stepped Care Approach** (Hunter New England and Central Coast Primary Health Network, 2021-23): Undertook the project manager role and coordinated data collection activities before delivering an interim report, in the form of a 'deckliverable' and a final evaluation report.
- » **LGBTIQA+ Family Violence Reform Initiatives** (Family Safety Victoria, 2021-22): Coordinated data collection in the form of interviews with key stakeholders across the family violence sector, in addition to designing and analysing a sector survey using R studio.
- » **Evaluation of an Aboriginal and Torres Strait Islander research program on COVID-19** (The Australian Partnership for Preparedness Research on Infectious Disease Emergencies, 2021-22): Coordinated data collection (interviews and short surveys at two time points) before supporting thematic analysis and report writing.
- » **Fair Work Commission National Wage Assessment Structure Trial** (Department of Social Services, 2020-21): Project support and coordination. Coding and transcribing of interviews with Australian Disability Enterprise staff and support in report writing.

### ECONOMICS AND VALUE FOR MONEY

- » **Overarching Bushfires Evaluation** (Resilience NSW, 2023-24): Support on the Cost Benefit Analysis component of the evaluation.
- » **Outcome and Economic Evaluation of the Mouse Control Program** (Department of Regional NSW, 2022-23): In addition to completing interviews with farmers impacted by the mouse plague, supported the Cost Benefit Analysis of the two rebate programs.
- » **Safety and Quality Curriculum Monitoring and Evaluation Framework** (Clinical Excellence Commission NSW, 2021): Developed the economic aspect of the monitoring and evaluation framework.

*I am passionate about the role evaluation has in providing an understanding of the full impact of policies and programs.*
