EDUCATION

Bachelor of Business (Honours) Economics,

University of Technology Sydney, (2019)

Bachelor of Economics, University of

Technology Sydney, (2018)

Sally recently joined ARTD as an economics honours graduate with strong writing and research skills, providing her team with quantitative and qualitative support. An eye for detail lends itself to thorough study. She is passionate about developing a deep understanding of the whole project through careful research.

SALLY EVANS

ANALYST

RESEARCH AND REVIEW

- » **Independent External Review of the WAHTN RET Program** (Western Australian Health Translation Network, in progress): Sally was involved in the initial market analysis and literature review. She also reviewed policy documents relating to the RET Program.

DATA COLLECTION AND ANALYSIS

- » **Independent External Review of the WAHTN RET Program** (Western Australian Health Translation Network, 2021): Coded qualitative responses and analysed both quantitative and qualitative data by assisting with the creation of graphs and frequency tables.
- » **NDIS Provider Survey Report** (NDIS, 2020): Coded survey responses and assisted in the report writing process.
- » **Evaluation of the Mental Health Stepped Care Model** (Eastern Melbourne Primary Health Network, 2020): Coded and analysed service provider survey responses.
- » **Flourish Australia Evaluation** (Flourish Australia, in progress): Contributed to the cleaning of program data.

REPORT WRITING

- » **Honours Thesis:** Before starting at ARTD, Sally completed an honours thesis titled The Effect of Temperature on Criminal Court Sentencing Decisions. This university project involved handling large data sets and data cleaning. She set up empirical economic models and created a code in order to analyse the data. The report included an extensive literature review.

I am passionate about the role evaluation performs in understanding the full impact of policies.
