## EDUCATION

Graduate Certificate, Public Sector Management Program, Department of Premier and Cabinet (2015)  
Bachelor of Arts (Media and Communications), University of Sydney (2000)

Specialising in Aboriginal affairs, and program design and management, Bianca has a keen interest in the pursuit of Aboriginal excellence, social justice and contributing to positive generational change for Aboriginal people and communities. She is an exceptional communicator, able to balance diverse stakeholder opinions, and adapt her style to suit her audience.

*I prioritise building respectful and meaningful relationships with the people, communities and organisations I work with, and love helping people identify solutions that address their needs and empower them to lead, manage and thrive.*

## BIANCA JARRETT

MANAGER - ABORIGINAL PARTNERSHIPS AND PROJECTS

Bianca joined ARTD in 2021, after working in State and Commonwealth government management roles in Aboriginal policy reform and development, program management and strategy, across housing, child protection and family services.

### PROGRAM DESIGN, MANAGEMENT AND SECTOR DEVELOPMENT

- >> **Aboriginal Child and Family Centres (ACFC) program (NSW Department of Communities and Justice):** State-wide management of the ACFC program including negotiating cross-government investment, evaluation design, capacity building and oversight of social media promotional campaigns.
- >> **Intensive Family Based Services (NSW Department of Communities and Justice)** Managed the design, implementation and delivery of the Intensive Family Based Services program, including development of the service model, policies and procedures, training and development curriculum, practice reviews and evaluation design.

### EVALUATION, DATA AND RESEARCH

- >> **Pathways of Care Longitudinal Study (NSW Department of Communities and Justice):** Aboriginal representative on all key working groups, reviewing research proposals and reports and evidence to action knowledge translation.
- >> **Indigenous Data Sovereignty and Governance (NSW Department of Communities and Justice):** Co-founded the Ngaramanala Aboriginal Knowledges Project to explore how DCJ could adapt and comply with Aboriginal community-led approaches to data sovereignty and governance.
- >> **Departmental-wide staff survey (NSW Department of Communities and Justice):** Designed and conducted a departmental-wide staff survey to identify current operational challenges with Aboriginal child protection legislative requirements, to improve policy and service responses.

### POLICY, STRATEGY AND CO-DESIGN

- >> **Early Intervention, Ageing, Youth and Volunteering Strategies (NSW Department of Communities and Justice):** Aboriginal policy advisor across all portfolios.
- >> **Various strategy and policy co-design (NSW Department of Communities and Justice):** Including the Aboriginal Outcomes Strategy 2018-2021, and key reforms including Family is Culture Review Implementation, Permanency Support Program, and Keep Them Safe.

### FACILICATION AND STAKEHOLDER ENGAGEMENT

- >> **Aboriginal Impact Statement workshops (NSW Department of Communities and Justice):** Workshop facilitation to assist key directorates and business units to understand and consider the impact proposed policies, strategies and services have on Aboriginal people, communities and organisations.
