

As both a researcher and artist, Maia approaches her work with a blend of creativity and critical insight. Her dedication to social justice drives her passion for work that creates meaningful change for clients, stakeholders and communities.

## MAIA GRANGE

### ANALYST

Maia joined ARTD in 2024 following work in the field of psychological sciences and case management. In her previous role as a Sessional Academic, she specialised in research methods and design, working to develop her students' skills in critical thinking, writing and SPSS data analysis.

#### RESEARCH AND DATA COLLECTION

Drawing from her background in psychology, including her honours research on the topic of psychotherapy advice on social media, and volunteer experience on large-scale projects such as the Future Proofing Study with the Black Dog Institute, Maia brings experience in both quantitative and qualitative data collection and analysis

- » **Implementation and Outcomes Evaluation of the Child and Youth HOPE Program** (Victorian Department of Health, 2022 – ongoing): Provided support analysing qualitative data and identifying key themes from interviews with stakeholders, including children and young people at risk of suicide, their families and carers, service staff and other sector stakeholders.
- » **Purple Flag Pilot Program Evaluation and Future Program Design** (NSW Department of Enterprise, Investment and Trade, 2024 – ongoing): Provided project support, including undertaking a detailed document review, supporting stakeholder consultations, analysing qualitative and quantitative data and assisting to develop deliverables.
- » **Joint Regional Health Needs Assessment** (Darling Downs West Moreton Primary Health Network, 2024 – ongoing): Providing project support, including desktop review to support service mapping.

#### PROJECT SUPPORT AND STAKEHOLDER COMMUNICATION

Maia brings her expertise as a facilitator and teacher to ARTD, to ensure warm, effective, and well-organised communication with clients and stakeholders.

- » **Evaluation of the Healthy Canberra Grants Program** (ACT Health Directorate, 2024 – ongoing): Supporting data collection, project coordination, and undertaking document review to support the outcomes evaluation of the 2018-2023 rounds of the Healthy Canberra Grants.

*My passion lies in exploring and generating evidence-based insights for clients that promote growth and amplify the positive outcomes of their initiatives, ultimately benefiting the lives of those they support.*
